SIR,

In forwarding herewith a copy of resolution No V passed in the meeting of the Board of Trustees, dated the 31st March 1909 together with a plan shewing the vacant land therein mentioned, I have the honour to state that the said vacant land belonging to one Rachendrappa requires in the interests of sanitation, to be kept open The owner --- wants, however, to raise a building thereon, but this is not commended by the Health Officer The Board have therefore resolved to acquire this bit in view to selling to one Chitige Rangiah for the use of his Chatram In this charitable --- institution, a school is being held for which the want of an open space as a recreation ground is keenly felt The house of the said Rachandriah to the north of the vacant land under reference, has already been acquired and sold to the said --- Chitige Rangiah for the use of the Chatram

2 As Rachandriah is not willing to part with -- this vacant land, under a mutual agreement, I solicit the -- sanction of Government for a declaration being published --- under clause 2 of Section 18 of the City of Mysore Improve-

-ment
